Short title: On the exact solution of a four-row matrix corresponding to the variational equation for ultrasecond-quantized problems.

MR Number: 2431588

Primary classification: 81Q05

Secondary classification(s): 15A06 34C60

Review text:

Within the framework of the so called ultrasecond quantization a four-dimensional matrix eigenvalue problem described in ref. [2] (and considered, separately, for bosons and fermions) is noticed to possess compact exact solutions.
